Café 19

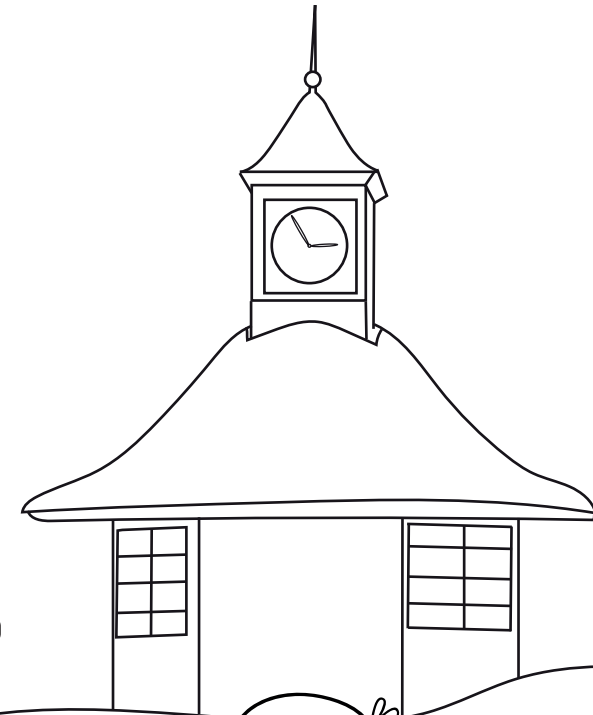

Here at Café 19 we love kids - especially well behaved ones - and want you to enjoy bringing them here!

All we ask is that you respect the other diners and our safety policy by keeping your child seated, however we don't mind noise here, so plenty of chat and laughter is fine by us!

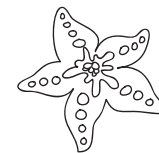

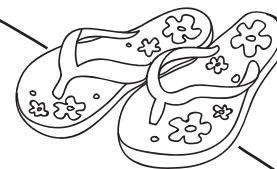

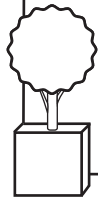

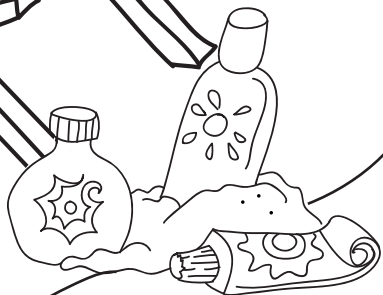

To make your life a little easier, we have baby changing facilities and high chairs, just ask a member of staff if you need anything else.
